Opioid Crisis !

Opioid Prescribing in Ontario

Increasing opioid related deaths and addiction

More than 9 million opioid prescriptions in 2015/2016 which is up by 450, 000 from 3 years earlier

More people are being prescribed stronger opioids

Nearly 2 million people in Ontario fill prescriptions for opioids every year – that's about 1 in 7 Ontarians

Opioid Crisis !

“The devastating impact of opioid use disorder and overdose has reached every community across the province, and crosses all demographics. Our government is committed to working together with our partners across the province to combat this issue through a collaborative, evidence-based, comprehensive approach that will help save lives.”
